

Get into a new frame of mind. Own the Edge.

To Own the Edge, it takes more than physical strength. It takes more than the weapons you carry. It takes the knowledge of Composite Risk Management, or CRM, and the mindset to put it in motion. CRM is the most effective way to reduce accidents, decrease fatalities, and improve your readiness. You can be more aggressive and Own the Edge by making better-informed risk decisions.

Want to Own the Edge?

Then get in the mindset of using CRM in every decision you make.
